Dear Mr. Hansen,

In response to your office communication with mailing date 9/20/02 I elect Group II, Claims 4 – 7 without traverse.

This communication had a shortened statutory period for reply of 1 month. Therefore a fourth month patent extension fee of \$680 is required, fee code 218 per 37 CFR 1.17(a)(4).

A separate letter requesting the extension and a check in the amount of \$680 are enclosed.

Sincerely,

Richard Booth
